

## KOBOS 2024 / 2 PRICE CATALOGUE

# ICONS

## Lacquered over MDF

The furniture surface is Matt Lacquer Paint Finish.

## MATT Pet Coating over MDF

The furniture surface is High-Gloss Lacquer Paint Finish

## Press Open

Push to open system is a mechanism that allows doors to open with a sleek, handle-free design, operating with a gentle touch.

## Melaminee Finish

The furniture surface is coated with high quality Melaminee Finish.

## Led Lighting

High-quality LED lighting creates a stylish atmosphere in bathrooms.

## Touch Sensor

Led Lighting systems equipped with touch-sensitive technology eliminate the need for physical switches, as they respond to user touch

## Soft Close

The soft-close feature of the drawers and doors ensures safe and quiet operation for children and elders.

## Lacquer Panel

Lacquer panel is a coating material with a glossy and smooth surface. It is widely used in interior design with its aesthetic appearance and durability.

## Interior Lighting

Experience the brilliance of well-lit storage spaces within your furniture, thanks to our carefully curated interior lighting solutions

## Glass Shelf

Glass shelves provide a durable and aesthetic shelving solution that combines style and elegance in bathroom cabinets.

## Ribbed Glass

Painted glass is a decorative type of glass whose surface is coated with a special color, combining aesthetics and durability.

## Reflective Glass

Reflective glass provides privacy by reducing visibility from the outside and adds a modern touch to the bathroom decoration with stylish reflections.

## Self handled

Self handling cabinet doors offer practical use without extra handles. It provides a modern and minimalist aesthetic.

## Framed Mirror

Framed mirror is an aesthetic element that adds elegance to bathroom decoration and adapts to every style with different designs.

## Sandblasted Mirror

The sandblasted mirror is an aesthetic decorative piece that enhances the space with its modern design while providing a comfortable reflection.

## Clear Glass

Clear glass is a durable type of glass that offers maximum visibility with its transparent structure and adds elegance and brightness to spaces by effectively transmitting light.

## Full Extension Drawer Slides

Experience the convenience of full-opening drawers, which make it effortless to place items and maximize space utilization

## About Us

EVDEMA as one of Turkey's well-established home decoration brands, maintains its leading position in the sector with its wide product range and high service quality. The Kobos brand, which offers a unique identity in bathroom furniture, has been added to the many product groups under the roof of EVDEMA. Accordingly, EVDEMA established the Kobos Bathroom Furniture Production Facility and started the production of bathroom furniture, bringing an innovative perspective to the sector.

Kobos manufactures aesthetic and functional bathroom furniture that offers modern solutions to users' needs while combining durability and functionality with comfort. Kobos Bathroom Furniture, which stands out with its innovative designs, aims to grow in the international market as well as the domestic market with its timeless and high value-added products, reflecting EVDEMA's understanding of quality and trust.
